

Coverage:

ENGINE (GAS OR DIESEL)

All internally lubricated engine parts including: pistons, piston rings, piston pins, crankshaft and main bearings, connecting rods and bearing, camshaft and bearings, timing chain or belt, timing gears, tensioner/guides, intake and exhaust valves, valves springs, valve guides, oil pump and oil pump housing, push rods, rocker arms, rocker arm shafts, hydraulic and solid lifters; water pump; engine block and heads (if damaged by the failure of an internally lubricated moving part).

TURBO/SUPERCHARGER

All internal parts; housing is covered if damaged by the failure of an internally lubricated moving part.

TRANSMISSION (AUTOMATIC OR STANDARD)

All internal parts; torque converter; vacuum modulator; mounts; covers, pans and cases (if damaged by the failure of an internally lubricated moving part). Note: No coverage is afforded for clutch assembly; pressure plate; fly wheel; throwout bearing; worn synchronizers or cables.

TRANSFER UNIT (4X4)

All internal parts; transfer case (if damaged by the failure of an internally lubricated moving part).

SEALS AND GASKETS

Seals and gaskets for all covered components are covered only in connection with the repair or replacement of a covered component listed above.

Additional Benefits:

RENTAL EXPENSE

In the event of a covered repair, if your vehicle becomes inoperable and has to remain overnight at the repair facility, we will reimburse you up to \$40 per day (up to \$200 total) for substitute transportation.

TOWING ASSISTANCE

In the event of a covered repair, we will reimburse you up to \$100 for towing service when necessary.

Optional Coverage:

DRIVE AXLE COVERAGE

If the Drive Axle Coverage option is selected, coverage is provided for the following listed components:

DRIVE AXLE(S): All internal parts; differential case (if damaged by the failure of an internally lubricated moving part).

SEALS AND GASKETS: Seals and gaskets for all covered components are covered only in connection with the repair or replacement of a covered component listed above.

AC COMPRESSOR COVERAGE

If the AC Compressor option is selected, coverage is provided for the air conditional compressor, compressor clutch and pulley of the covered vehicle.

ELECTRICAL COVERAGE

If the Electrical Coverage option is selected, coverage is provided for the alternator; voltage regulator; starter motor; drive and solenoid; power window motors, regulators and drives; front wiper motor including circuit board, relay and delay switch; manually operated switches for power windows, power seat(s), turn signal switch, headlamps, wipers (front and rear), emergency warning flashers; horn button; power door lock actuators; trunk actuator and motor; ESC/EEC/ECM module; oxygen sensor; electronic module retard vacuum switch; electronic ignition module; igniter; engine management control computer; body control module; distributor, fuel gauge sending unit; heat back glass elements (glass is not covered); rear wiper motor; heater blower motor; horn; cruise control servo, module and transducer.

SEALS & GASKETS

If the Seals & Gaskets Coverage option is selected, seals and gaskets for all covered components are covered independently or in conjunction with a covered repair.

Protection For The Major Components of Your Vehicle
